#### **ACTION**

## **Board of Supervisors**

23. Authorize negotiations to join the Eastern Arizona Counties Organization (ECO) for the purpose of participating in federal land and wildlife issues common to eastern Arizona counties.

Mr. Michael Ortega, County Administrator, gave some background information and stated that he recommended approval based on past partnerships with counties involved in this organization.

Supervisor Searle said he was approached by Gila Supervisor Martin on Cochise County considering joining the organization and noted that the main issue is the reintroduction of the Mexican Wolf into areas that affect member counties of this organization. He added that the partnership would be beneficial and that he would volunteer to be the representative form Cochise County.

Vice-Chairman English asked if there was a member fee.

Supervisor Searle said the annual fee would be \$5,000 for each county, and would not be based on population. He added that although the main issue would be the Mexican Wolf reintroduction, other forest service issues could also be addressed and that even if the County was a member, it would not have to support all the causes supported by the organization. He also suggested that Mr. Ortega be the second member representing the County in this organization.

Vice-Chairman English moved to authorize negotiations to join the Eastern Arizona Counties Organization (ECO) for the purpose of participating in federal land and wildlife issues common to eastern Arizona counties. Supervisor Searle seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

24. Discussion/action on letter to Congress requesting full reinstatement of Payment in Lieu of Taxes (PILT) funding.

Mr. Michael Ortega, County Administrator, gave the background information and stated that PILT is very important to the County and critically impacts county services, specifically public safety and the court system. He added that in order to absorb the revenue from PILT, taxes would have to be raised by 19 cents for every \$100 value.

Vice-Chairman English stated that the public needed to understand how important this

funding is and that the legislature really needs to hear from the citizens on why it is crucial to keep this funding for counties with federal land. If no one takes action eventually taxes will have to be raised and that would impact citizens directly.

Supervisor Searle moved to authorize a letter to Congress requesting full reinstatement of Payment in Lieu of Taxes (PILT) funding. Vice-Chairman English seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

# **County Treasurer**

25. Approve the recommendation of the County Treasurer for the abatement of property taxes and interest on personal property and the removal of personal property tax liens on Treasurer's Certificate of Clearance No's. 2014-0491 thru 2014-0515 pursuant to A.R.S. 42-19118.

Ms. Cathy Traywick, County Treasurer, stated that this was the second to the last batch in order for the County to be current and noted that the cost for this batch was \$8,008.15.

Vice-Chairman English moved to approve the recommendation of the County Treasurer for the abatement of property taxes and interest on personal property and the removal of personal property tax liens on Treasurer's Certificate of Clearance No's. 2014-0491 thru 2014-0515 pursuant to A.R.S. 42-19118. Supervisor Searle seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

Mr. Jack Cook addressed the Board on matters of personal concern.

No one else chose to speak and Chairman Call closed the call to the public.

This is the time for the public to comment. Members of the Board may not discuss items that are not specifically identified on the agenda.

# REPORT BY MICHAEL J. ORTEGA, COUNTY ADMINISTRATOR -- RECENT AND PENDING COUNTY MATTERS

Mr. Ortega stated that staff was preparing for the legislative summit next month and would update the Board on any recommendations made by department directors or elected officials. He noted that the Emergency Operations Center (EOC) was successfully opened during the flooding incidents last week and although it was not necessary, it was helpful to have a trial run and address a couple of issues; he also thanked all staff and agencies that participated. He added that there were concerns involving a spill in Cananea, Sonora, Mexico, and would provide the Board with information bullet points to address public concern.
